

San Juan County's Homelessness Services

WE CAN

- Sit with you to better understand your housing needs, start intake and help create a plan for housing.
- Help you make a plan to communicate with agencies about your place on the list.
- We listen with compassion and offer resources that support smart choices.
- See if you qualify for Financial assistance from one or more partner Agencies that does NOT provide housing assistance.
- Help you fill out applications for certain funds, and make sure it goes smoothly and efficiently.
- San Juan LHCC may be able to provide limited direct financial assistance for utilities, mental or behavioral health, or application fees if eligible.
- Help you find tenant resources to better understand the legal process. We will also stay in contact with your landlord.
- Create a safe and non-judgemental space for you to talk with someone about your situation.
- Do the work **WITH** you
- Help you create a budget
- Help search for resources to reduce financial stress

WE CAN'T
