

# POINT-IN-TIME COUNT

San Juan County, UT

# What is Point-In-Time Count?

- 01 The Point In Time (PIT) Count is a crucial annual survey.
- 02 This federally mandated count is conducted every year in late January.
- 03 It provides a one-night snapshot of people experiencing homelessness.

- 04 The count includes;

## Sheltered Homeless Situations

- Emergency Shelter
- Transitional Housing

## Unsheltered Homeless Situations

- Streets
- Parks
- Camping
- Vehicles (including RVs without utility hook-ups)

# Who conducts the Count?

- The count relies on dedicated volunteers and staff
- Teams interview people experiencing homelessness directly
- Trained volunteers administer a standardized survey tool
- Results inform decisions about housing and services

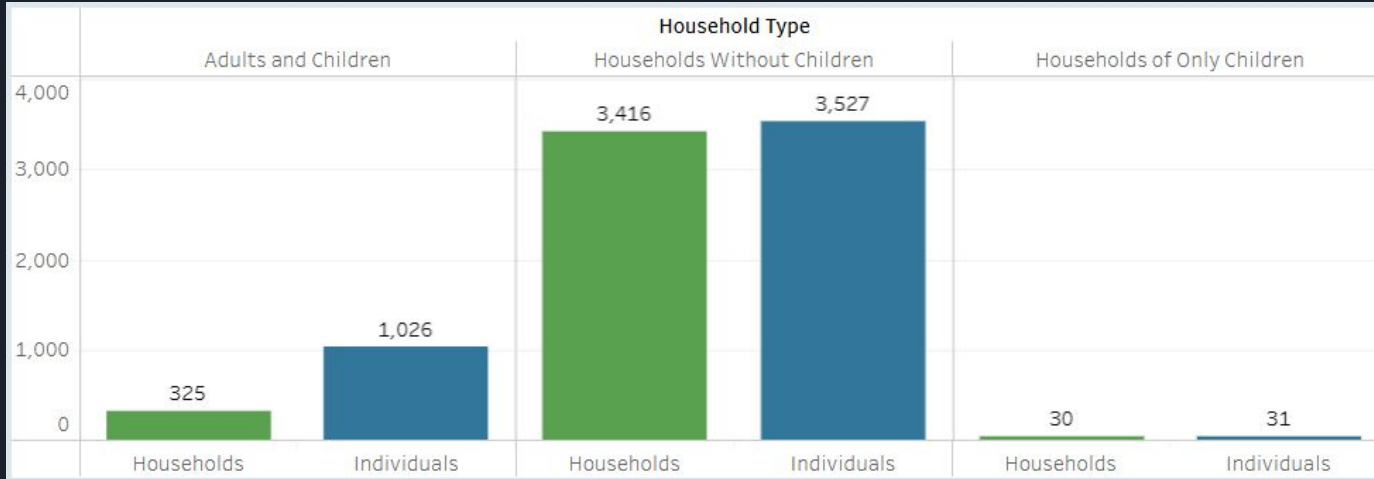

# PIT Count Government Help

- Data guides government policies and funding decisions
- Supports affordable housing and necessary support programs
- Informs allocation for homeless services and resources
- Provides essential insight for effective planning
