Using the Excel Import Sheet

- Fill out all information on this page and appropriate tab(s) below.
- Save the spreadsheet to your computer.
- Email the completed spreadsheet to disclosure@utah.gov prior to the deadline.
- Do not use the spreadsheet to report transactions previously reported – this will result in double reporting.
- The spreadsheet cannot be used to make changes (amendments) to a filed report. (These need to be reported manually and separately from your regular scheduled report.)
- The workbook spreadsheets are protected to ensure the data is inputted into the financial disclosures system in the correct format.

Instruction: Click mouse on Down Menu

Instruction: Provide the Nar Disclosure Application

Instruction: Provide the Adc Application

Instruction: Provide the Phc Disclosure Application

Instruction: Provide the curi Expenditures

Zero Report:

A zero report means that no cor expenditures have been made c

the financial disclosures system in the correct format.

- There is no need to provide report totals or a signature authorization page.
